

Working Together to Simplify the Application Process

Ravenna Admit™ and the Enrollment Management Association (EMA) have collaborated to streamline the process of importing applications completed within the Standard Application Online (SAO) into Ravenna Admit. The integration between Ravenna and SAO empowers your admission office to handle all applicant data efficiently in a unified system. Now, you can devote more time to engaging with families and effectively managing your applicant pool.

Provide a Seamless Application Journey for Families and Staff

CENTRALIZE APPLICATION MANAGEMENT

Read and review applications using Ravenna Admit's advanced admission tools while families apply through the SAO.

ENHANCE FAMILY ENGAGEMENT

Boost outreach and engagement by including all families in Ravenna Admit's bulk email communication.

SAVE TIME AND REDUCE ERRORS

Eliminate hours of manual record creation of SAO applications, reducing errors and duplicate records.

UTILIZE ADVANCED ADMISSIONS DATA

Merge SAO applicant data with Ravenna Admit's advanced reporting tools to leverage insights about applicants.

IMPORT APPLICATIONS WITH A SINGLE CLICK

Quickly identify applications received by SAO, then match and import applicants into Ravenna with a single click.
